The business organization referenced below (“Organization”) certifies the following to Cboe Futures Exchange, LLC (“CFE”):

The Organization is authorized to become a Trading Privilege Holder of CFE and to engage in trading activities on CFE’s market.

The Organization is a corporation licensed by the Hong Kong Securities and Futures Commission (“SFC”) under Part V of the Hong Kong Securities and Futures Ordinance. The Organization will promptly notify CFE in writing if it ceases to be so licensed or if there are any other changes to its license that would restrict or prohibit the Organization from engaging in trading activities on CFE’s market.

The Organization is not currently, and will not in the future become, a clearing member of a Designated Clearing Organization (“DCO”) that clears transactions on CFE unless the DCO has been authorized by the SFC to provide automated trading services and to admit clearing members from Hong Kong.

The Organization consents to CFE providing the SFC with such information as the SFC may request relating to the Organization, including, without limitation, that the Organization has applied to become a Trading Privilege Holder of CFE, the name and location of the Organization, and information relating to trades conducted by the Organization on CFE’s market.

Please attach a copy of the Organization’s license granted by the SFC.

The Organization agrees to provide CFE with a detailed written description of the manner and path in which the Organization intends to route orders to the CFE System prior to routing orders to CFE’s market and of any changes in this regard that the Organization intends to implement prior to implementation. The Organization acknowledges and agrees that the manner and path in which the Organization routes orders to the CFE System is subject to prior review and approval by CFE before the Organization is authorized to route orders to CFE’s market through that manner and path.
