

CFE Trading Privilege Holder (TPH) Permit Program

Any Person that desires to become a Trading Privilege Holder is required to obtain a Trading Privilege Holder permit (“TPH Permit”).

Initially, the Exchange will make available 2,500 TPH Permits. The Exchange may subsequently make available additional TPH Permits if the initial supply of 2,500 TPH Permits is exhausted.

A TPH Permit may be obtained by any Person that satisfies the requirements set forth in Rule 304(a).

Each Person desiring to obtain a TPH Permit must submit an application to the Exchange in a form and manner prescribed by the Exchange pursuant to Rule 305 and become approved by the Exchange as a Trading Privilege Holder. Each Trading Privilege Holder may permit one or more individuals to act as its Authorized Traders pursuant to Rule 303.

Any organization that desires to become a Clearing Member of the Exchange is required to become a Trading Privilege Holder and to obtain a TPH Permit. Additionally, in order to be an Exchange Clearing Member, an organization is required to be a member of the Clearing Corporation that is authorized under the rules of the Clearing Corporation to clear trades in Contracts traded on the Exchange.

Each TPH Permit provides a Trading Privilege Holder with Trading Privilege Holder status and entitles a Trading Privilege Holder to Trading Privileges on the Exchange. Trading Privilege Holders may obtain TPH Permits from the Exchange in a form and manner prescribed by the Exchange.

A Trading Privilege Holder shall be entitled to obtain a single TPH Permit.

The Exchange may assess a fee or fees to a Trading Privilege Holder for a TPH Permit based on the capacity or capacities of the Trading Privilege Holder on the Exchange. The following capacities have the following meanings solely for the purpose of assessment of Exchange fees for TPH Permits:

- **Clearing Firm:** A Trading Privilege Holder has a Clearing Firm capacity if the Trading Privilege Holder (i) is a member of the Clearing Corporation that is authorized under the rules of the Clearing Corporation to clear trades in Contracts traded on the Exchange and (ii) guarantees and/or clears transactions on the Exchange executed by the Trading Privilege Holder itself and/or one or more other Trading Privilege Holder(s). If a Clearing Member executes transactions on the Exchange as agent for one or more other Person(s), the Clearing Member shall also be deemed to have a Broker capacity. If a Clearing Member executes transactions on the Exchange for its own account, the Clearing Member shall also be deemed to have a Proprietary Trading capacity.

- **Broker:** A Trading Privilege Holder has a Broker capacity if the Trading Privilege Holder executes transactions on the Exchange as agent for one or more other Person(s). If a Trading Privilege Holder with a Broker capacity executes transactions on the Exchange for the Trading Privilege Holder's own account, the Trading Privilege Holder shall also be deemed to have a Proprietary Trading capacity. If a Trading Privilege Holder has a Proprietary Trading capacity and the only other Person(s) for which the Trading Privilege Holder executes transactions on the Exchange as agent are affiliates of the Trading Privilege Holder, the Trading Privilege Holder shall not be deemed to have a Broker capacity for this purpose.
- **Proprietary Trading:** A Trading Privilege Holder has a Proprietary Trading capacity if the Trading Privilege Holder executes transactions on the Exchange for the Trading Privilege Holder's own account.
- **Pool Manager/Pooled Investment Vehicle ("Pool"):** These capacities have the meanings set forth in Rule 305A.

A Pool Manager may obtain a single TPH Permit for the Pool Manager and all of the Pools approved under Rule 305A for which it acts as Pool Manager. If there is more than one Pool Manager for a Pool or Pools, the Pool Managers for the Pool(s) may obtain a single Trading Permit for the Pool Managers and all of the Pools approved under Rule 305A for which they act as Pool Manager. Pool Managers and Pools must have a separate EFID or EFIDs for trading on the Exchange involving each distinct combination of Pool Manager and clearing number for that trading. A Pool Manager may utilize any of these EFIDs for trading involving a Pool or multiple Pools approved under Rule 305A for which it acts as Pool Manager.

TPH Permit holders shall have all of the rights and obligations of Trading Privilege Holders under the Rules of the Exchange except to the extent otherwise provided under this Policy and the Rules of the Exchange.

Any recipient of a TPH Permit as permitted by Rule 302 is required to provide the Exchange with the appropriate application materials and to be approved as a Trading Privilege Holder pursuant to Rule 305 before the recipient will be permitted to act as a Trading Privilege Holder.

A TPH Permit is non-transferable, non-assignable and may not be sold or leased, except that a Trading Privilege Holder may, with the prior written consent of the Exchange, transfer a TPH Permit to a Trading Privilege Holder organization or organization approved to be a Trading Privilege Holder: (i) which is an Affiliate; or (ii) which continues substantially the same business without regard to the form of the transaction used to achieve such continuation, e.g., merger, sale of substantially all assets, reincorporation, reorganization or the like.

The term of each TPH Permit that is issued and outstanding at the end of 2019 shall be automatically extended until December 31, 2020 unless the TPH Permit holder notifies the

Exchange in a form and manner and within the applicable time period prescribed by the Exchange that the TPH Permit holder would like to have the TPH Permit expire on December 31, 2019 or on another date during 2020. All TPH Permits issued and outstanding at the end of 2020 shall expire on December 31, 2020. The Exchange may determine to extend the term of these TPH permits or allow these TPH permits to expire. The Exchange may also amend or replace the TPH Permit program with a different permit program at any time.

The issuance of a TPH permit does not include the issuance of a match capacity allocation, port or EFID. A Trading Privilege Holder must separately obtain in a form and manner prescribed by the Exchange any match capacity allocations, ports or EFIDs that the Trading Privilege Holder desires to obtain.

All Exchange fees applicable to TPH Permit holders and all other Exchange fees will be as set forth in a separate Exchange fee schedule.
