

BATS GLOBAL MARKETS EXPANDS TEAM WITH TWO KEY HIRES IN MARKET DATA, ETF LISTING BUSINESSES

Kal Chan and Rob Marrocco Bring Solid Industry Experience to BATS Team

KANSAS CITY and NEW YORK – September 23, 2015 – BATS Global Markets (BATS), a leading global operator of exchanges and services for financial markets, today announced the hiring of Kal Chan as Director, Market Data Sales, and Robert J. Marrocco, Director of Listings.

“We are pleased to have two talented individuals such as Kal and Rob join our team. Kal’s expertise in market data sales and Rob’s experience in ETP listing and trading will enable us to further strengthen our services and offerings in these two key areas,” said Bryan Harkins, Executive Vice President and Head of U.S. Markets at BATS. “Kal and Rob will play a critical role as we grow our business, while also ensuring that we continue to deliver a robust experience for each and every one of our clients.”

Mr. Chan, who recently joined BATS, brings eight years of industry experience to the firm. Most recently, Mr. Chan was responsible for sales and account management at Interactive Data 7ticks where he worked with broker-dealers, investment banks and hedge funds to provide end-to-end trading solutions including trading access and market data. Prior to Interactive Data, Mr. Chan worked at Bloomberg as a sales and account manager, working with hedge fund and asset managers to provide trading analytics, electronic trading, and order management services tailored to clients’ investment strategies.

Mr. Marrocco, who recently joined BATS from the New York Stock Exchange (NYSE) where he was Associate on the Global Index and Exchange Traded Products team. In his role, he managed new exchange traded product (ETP) listings and supported NYSE Arca’s existing ETP business, liaising with issuers and market makers. Mr. Marrocco directed and administered NYSE Arca’s Lead Market Making (LMM) Program and worked with NYSE Regulation to ensure issuer adherence to listing standards.

Both Mr. Chan and Mr. Marrocco are based in BATS’ New York office. Mr. Chan reports to Drew Carey, Director, Market Data Sales, and Mr. Marrocco reports to Laura Morrison, Senior Vice President, Global Head of Exchange Traded Products.

About BATS Global Markets, Inc.

BATS Global Markets, Inc., a leading global operator of exchanges and services for financial markets, is committed to Making Markets Better for traders, investors and issuers. In Europe, BATS operates the largest pan-European equities exchange, offering trading and listing services across 15 major European markets, as well as BXTR, the continent’s largest trade reporting facility. In the U.S., BATS operates four stock exchanges – BZX, BYX, EDGX and EDGA – and regularly ranks as the top market for ETF and retail-driven liquidity. The company is a listing venue for ETFs and other structured products, also operates a U.S. equity options market, BATS BZX Options, and is launching BATS EDGX Options later in 2015. Globally, BATS serves the foreign exchange (FX) market, the world’s largest asset class, with Hotspot, a leading institutional spot foreign exchange market. With its world-class technology and relentless customer focus, BATS strives to bring efficiency, transparency and fairness to market participants. The company is headquartered in Kansas City with offices in New York, London, Chicago and Singapore. Further information on BATS can be found at www.bats.com and by following us on Twitter [@BATSGlobal](#).
