Re: Partnership with John B. Drake School
Borders Book Drive- "Gift of Reading"

Date: March 24, 2003

As we continue to expand our partnership with John B. Drake Elementary School, CBOE would like to invite you to help us give the '**Gift of Reading**'.

CBOE and Borders Books will be sponsoring the '**Gift of Reading**' Drive for the children of Drake from March 24th - April 5th. Representatives from Borders will be in the lobby of CBOE on March 31st - April 2nd.

The '**Gift of Reading**' program will provide books for the children at Drake to read and use in the classrooms. The teachers at Drake have selected the list of books on the reverse side of this memo.

In supporting the book drive, you are also supporting the development of children's literacy skills, intellectual well-being, and emotional well-being. Reading skills are the primary focus of our current tutoring program with the students at Drake, and this program will allow the entire school to benefit.

We hope you will consider giving the '**Gift of Reading.**' Please direct all questions regarding our partnership with John B. Drake Elementary School to Christy Hanson, 312-786-7066 (hansonc@cboe.com) or Amy Zisook, 312-786-7182 (zisooka@cboe.com).

The list of selected reading materials is on the reverse side
