Re: Preferred Market Maker Program Class Eligibility

The purpose of this circular is to advise the Membership of the classes that are eligible for the Preferred Market Maker program.

At the advice of the Floor Directors Committee, the Office of the Chairman has designated the following classes for Preferred Market Maker orders:

- All multiply-listed, hybrid-enabled index and ETF classes (including DIA, QQQ, SPY, MNX, etc.)
- All hybrid-enabled CBOE equity classes, both single-listed and multiply-listed.

Preferred Market Maker is not available for

- Mini-SPX (XSP) or
- DJX
