Background Information on the Fund

The CurrencyShares Russian Ruble Trust (the "Trust") issues Russian Ruble Shares ("Shares") that represent units of fractional undivided beneficial interest in, and ownership of, the Trust. Rydex Specialized Products LLC, d/b/a "Rydex Investments," is the sponsor of the Trust (Sponsor) and may be deemed the "issuer" of the Shares pursuant to Section 2(a)(4) of the Securities Act of 1933, as amended (the Securities Act). The Bank of New York Mellon is the trustee of the Trust (Trustee), JPMorgan Chase Bank, N.A., London Branch is the depository for the Trust (Depository), and Rydex Distributors, Inc. is the distributor for the Trust (Distributor). The Trust intends to issue additional Shares on a continuous basis through the Trustee.

The Trust is a grantor trust formed under the laws of the State of New York pursuant to the Depository Trust Agreement. The Trust holds Russian Rubles and

is expected from time to time to issue Baskets in exchange for deposits of Russian Rubles and to distribute Russian Rubles in connection with redemptions of Baskets. The investment objective of the Trust is for the Shares to reflect the price in USD of the Russian Ruble. Earning income for Shareholders is not the objective of the Trust. Whether investors earn income will primarily depend on the relative value of the Russian Ruble and the USD. If the Russian Ruble appreciates relative to the USD and a Shareholder sells Shares, the Shareholder will earn income. If the Russian Ruble depreciates relative to the USD and a Shareholder sells Shares, the Shareholder will incur a loss.

The Sponsor believes that, for many investors, the Shares represent a cost-effective investment in Russian Rubles. The Shares represent units of fractional undivided beneficial interest in, and ownership of, the Trust.

The Sponsor, Rydex Specialized Products LLC d/b/a "Rydex Investments," a Delaware limited liability company, is responsible for establishing the Trust and for registering the Shares. The Sponsor generally oversees the performance of the Trustee and the Trust's principal service providers, but does not exercise day-to-day oversight over the Trustee or the Trust's service providers. The Sponsor may remove the Trustee if any of various events occur.

The Trustee is The Bank of New York Mellon, a banking corporation formed under the laws of the State of New York with trust powers. The Trustee is generally responsible for the day-to-day administration of the Trust. This includes calculating the NAV of the Trust and the NAV per Share each business day, paying the Trust's expenses (which are accrued daily but paid monthly), including withdrawing the Trust's Russian Rubles, if needed, receiving and processing orders from Authorized Participants to create and redeem Baskets and coordinating the processing of such orders with the Depository and DTC. The general role, responsibilities and regulation of the Trustee are further described under "The Trustee."

The Depository is JPMorgan Chase Bank, N.A., London Branch. The Depository and the Trustee have elected the laws of England to govern the Deposit Account Agreement between them. The Depository accepts Russian Rubles deposited with it by Authorized Participants in connection with the creation of Baskets. The Depository facilitates the transfer of Russian Rubles into and out of the Trust through the two deposit accounts maintained with it by the Trust. The Depository will pay interest on the primary deposit account but not on the secondary deposit account. Interest on the primary deposit account accrues daily and is paid monthly. The initial annual nominal interest rate as set forth in the Deposit Account Agreement is 3.80%.

For more information regarding the Shares and its investment strategy, please refer to the Fund's prospectus.

As described more fully in the Trust's prospectus and Statement of Additional Information, the Fund will issue and redeem Shares on a continuous basis at their net asset value ("NAV") only in large blocks of 50,000 Shares (each, a "Creation Unit"). Creation Units will be issued and redeemed principally in-kind for securities included in the underlying index. Except when aggregated in Creation Units, the Shares may not be redeemed with the Fund.

Shares are held in book-entry form, which means that no Share certificates are issued. The Depository Trust Company or its nominee is the record owner of all outstanding Shares of the Funds and is recognized as the owner of all Shares for all purposes.

The NAV per Share for the Fund is computed by dividing the value of the net assets of the Fund (i.e., the value of its total assets less total liabilities) by the total number of Shares outstanding. Expenses and fees are accrued daily and taken into account for purposes of determining NAV. The NAV of each Fund is determined each business day after the close of trading (ordinarily 4:00 p.m., Eastern Time or "ET") of the New York Stock Exchange. Any assets or liabilities denominated in currencies other than the U.S. dollar are converted into U.S. dollars at the current market rates on the date of valuation as quoted by one or more sources.

The registration statement for the Fund describes the various fees and expenses for the Fund's Shares. For a more complete description of the Fund and the underlying Index, visit the Fund's website at www.currencyshares.com.

Dissemination of Fund Data

The Consolidated Tape Association will disseminate real time trade and quote information for the Funds to Tape B.

Purchases and Redemptions in Creation Unit Size

Exchange members are hereby informed that procedures for purchases and redemptions of Shares in Creation Unit Size are described in the Trust's

prospectus and SAI, and that Shares are not individually redeemable but are redeemable only in Creation Unit Size aggregations or multiples thereof.

Exchange Rules Applicable to Trading the Shares

The Shares are considered equity securities, thus rendering trading in the Shares subject to the Exchange's existing rules governing the trading of equity securities.

Principal Risks

Interested persons are referred to the discussion in the prospectus for the Fund of the principal risks of an investment in the Fund. These include tracking error risk (factors causing the Fund's performance to not match the performance of the underlying index), market trading risk (for example, trading halts, trading above or below net asset value), investment style risk, sector risk, investment approach risk, non-diversification risk, issuer-specific risk, management risk, commodity risk, sector/industry risk and currency risk.'

Trading Hours

The values of any security underlying the Shares are disseminated to data vendors every 15 seconds. The Shares will trade on the CBSX from 8:15 a.m. CT until 3:00 p.m. CT. The trading increment for the Fund's Shares will be \$0.01.

Extended Hours Trading

Members are reminded that trading in the Fund's Shares prior to 8:30 a.m. may result in additional trading risks which include: (1) that the current underlying index value may not be updated, (2) the intraday indicative value may not be updated, (3) lower liquidity may impact pricing, (4) higher volatility may impact pricing, (5) wider spreads may occur, and (6), since the intraday indicative value is not calculated or widely disseminated, an investor who is unable calculate an implied value for an ETF in those sessions may be at a disadvantage to market professionals.

Trading Halts

The Exchange will halt trading in the Shares based on Rule 52.3 and/or because dissemination of the intraday indicative value of the Shares and/or the underlying value of the index has ceased.

Suitability

Members are reminded of their obligation under Rule 53.6 whereby the Member shall use due diligence to learn the essential facts relative to every customer prior to trading the Shares or recommending a transaction in the Shares that an investment in the Shares is suitable for the customer. Members should adopt appropriate procedures for the opening and maintaining of accounts, including the maintaining of records prescribed by any applicable regulatory organization and by the rules and regulations of the Commission.

Delivery of a Prospectus

Consistent with the requirements of the Securities Act and the rules thereunder, investors purchasing Shares in the initial public offering and anyone purchasing Shares directly from a Fund (by delivery of the designated securities) must receive a Prospectus. In addition, Members are required to deliver a Prospectus to all purchasers of newly-issued Shares (i.e. during the initial public offering). Members purchasing shares from a Fund for resale to investors will deliver a Prospectus to such investors.

Prospectuses may be obtained through the Fund's website. The Prospectus does not contain all of the information set forth in the Registration Statement (including the exhibits to the Registration Statement), parts of which have been omitted in accordance with the rules and regulations of the Commission. For further information about a Fund, please refer to the Registration Statement.

In the event that a Fund relies upon an order by the Commission exempting the Shares from certain Prospectus delivery requirements under Section 24(d) of the 1940 Act and makes available a written product description, the Exchange requires that Members provide to all purchasers of Shares a written description of the terms and characteristics of such securities, in a form prepared by the Trust, no later than the time a confirmation of the first transaction in the Shares, is delivered to such purchaser. In addition, ETP Holders shall include such a written description with any sales material relating to the Shares that is provided to customers or the public. Any other written materials provided by a Member to customers or the public making specific reference to the Shares as an investment vehicle must include a statement in substantially the following form: "A circular describing the terms and characteristics of Shares of the Fund has been prepared by the Trust and is available from your broker. It is recommended that you obtain and review such circular before purchasing Shares of the Fund. In addition, upon request you may obtain from your broker a prospectus for Shares of the Fund."

An Member carrying an omnibus account for a non-Member is required to inform such non-Member that execution of an order to purchase Shares for such omnibus account will be deemed to constitute agreement by the non-Member to make such written description available to its customers on the same terms as are directly applicable to Members under this rule.

Upon request of a customer, Members shall also provide a copy of the Prospectus.

This Information Bulletin is not a statutory Prospectus. Members should consult the Trust's Registration Statement, SAI, Prospectus and the Fund's website for relevant information.

Inquiries regarding this Information Bulletin should be directed to David Reed, 866.458.2279.
