

Information Circular IC10-115

Date: May 18, 2010

To: Members and Membership Applicants

From: Membership Department

Re: Deadline for Membership Committee Consideration of
Pre-Demutualization Membership Applications and Approval Requests

If demutualization takes place within the currently anticipated timeline, it is expected that the final Membership Committee meeting prior to demutualization will be on June 9, 2010. The deadline for the submission of membership applications and approval requests for consideration by the Membership Committee at that meeting is **Tuesday, May 25, 2010**.

Accordingly, any member or applicant that wishes to obtain approval for a membership application or other membership-related request that requires approval by the Membership Committee and that the member or applicant would like to have approved prior to demutualization needs to submit the application, approval request, and any required documentation to the Membership Department by Tuesday, May 25, 2010.

Any questions regarding this circular may be directed to Stan Leimer, Director, Membership Department, at (312)-786-7299 or leimer@cboe.com.
