RE: CBOE / CFE / One Chicago Move to Equinix NY4

As announced in Information Circular IC12-078, the primary data centers for CBOE, CFE, and One Chicago will be moving to the Equinix NY4 Data Center (NY4 Data Center) in Secaucus, New Jersey. The completion of the cutover is on schedule for Monday, December 3, 2012.

A “hot cutover” will occur such that CBOE, CFE, and One Chicago will operate from the current Chicago data center through the end of business on Friday, November 30, 2012, and commence business operations on Monday, December 3, 2012, from the NY4 Data Center. Please note that resting GTC orders will be cancelled on Friday, November 30, and firms will be responsible for re-entry.

Firm connectivity and API Login Testing continues. Refer to Information Circular IC12-068 for more information, as well as the schedule for weekday and weekend mock trading.

Additional Information:

Please contact the API Group at (312) 786-7300 for additional information regarding the move to NY4 Data Center and to arrange connectivity and testing.
