

## Regulatory Circular RG13-123

**Date:** September 17, 2013

**To:** Trading Permit Holders  
**From:** Market-Maker and DPM Administration  
**RE:** CBSX Remote Market-Maker Appointments

---

### **This circular updates Regulatory Circular RG13-115**

Please note that effective September 17, 2013, the Market-Maker and DPM Administration (MDA) Department will provide CBSX Remote Market-Makers (RMMs) with access to the online appointments system (MPPI) to provide RMMs with more flexibility and timeliness in adding and changing their appointments. MPPI allows RMMs to maintain their own appointments, which includes the ability to view and update their appointments as often as necessary. Additionally, MPPI affords each RMM the discretion as to who will have permission to make these changes. Please see Regulatory Circular RG12-112 for additional information on using MPPI.

The MDA Department will no longer facilitate RMM appointment changes via an e-mail or phone request except in the event of a system malfunction; however, if at any time you need assistance or have questions on the functionality of MPPI, please do not hesitate to contact the MDA Department.
