

Regulatory Circular RG15-129

Date: September 21, 2015

To: Trading Permit Holders
From: Business Development Division
RE: Floor Broker Workstation 2

Beginning the week of September 14, 2015, a new version of the Floor Broker Workstation, FBW2, will be available to Floor Broker Trading Permit Holders ("TPHs") for use on the trading floor of the Chicago Board Options Exchange, Incorporated ("CBOE"). Users will be advised before the application is loaded to their particular terminals. Support will be provided throughout the rollout.

Index Ticket Enhancements

- MKT cross orders to PAR destinations are now supported.
- Buy/Sell (B/S) buttons are now located to the left of the Quantity field on the Order Legs panel.
- Open/Close (O/C) buttons are now located on the right side of the Calc elipsis (...) on the Order Legs panel.
- A leg can be added without populating the Quantity field (Quantity=0) in the Leg Definition panel.
- The Flip Quote logic that is available on the legacy FBW has been added to FBW2.
- Leg product definition in the order legs can be updated by clicking into the Product field and filling out the Product Edit popup window.

Other Enhancements

- Users may access the AIM Solicitation order type from the Mechanism drop down list on the order ticket.
- A new copy feature has been added to copy entire contents from an active order status window and pasted into an Excel spreadsheet.
- Type-ahead logic has been added to the Alias Drop-Down field to allow quicker retrieval of an alias.
- The Represent Button labeled Rep Ord has been removed from all Order Entry windows. Users will need to Stage the order and represent from the Order Status window.
- The MPID and Locate ID fields are no longer required entry fields on orders that include a stock leg.
- Changes have been made to the Options window as follows:
 - The current Bid/Ask and pBid/pAsk labels have been renamed to CBid/CAsk and pCBid/pCAsk to indicate the CBOE market quotes.
 - The NBBOBid/Ask and pNBBOBid/Ask labels have been renamed to Bid/Ask and pBid/pAsk.

EXECUTE SUCCESSSM

- When the CBOE book is equal to the National Best Market, the relevant bid or ask field of the series will be highlighted in the Bid/Ask column.
- A new Help link has been added. Clicking this link will retrieve FBW2 Help which replicates the FBW2 guide.
- In preparation for future use, a Frequent Trader ID, FTID, field has been added to the Clearing tab of Order Settings.
- Several fixes have also been included in this new version.
