

## **CBOE Regulatory Circular RG16-201**

**Date:** December 20, 2016

**To:** Market Data Express Subscribers

**From:** Livevol Support

**RE:** CBOE Livevol Assumption of MDX Historical Subscriptions

---

Effective January 6, 2017, Market Data Express (MDX) historical data subscriptions will be transitioned to the CBOE Livevol Data Shop. On this date, the MDX website and FTP site will no longer be available. In preparation for trouble-free access to data after the transition, customers should download sample data from the CBOE Livevol Data Shop website at <https://datashop.cboe.com> and make any necessary system adjustments before the transition date. MDX subscription administration has already been transferred, so visit the CBOE Livevol Data Shop website at <https://datashop.cboe.com/> to renew or adjust subscriptions. Existing MDX customers whose current subscription extend beyond January 6, 2017 will have their current MDX subscription automatically migrated to CBOE Livevol Data Shop and will receive a notice with further details. Going forward, MDX subscribers should contact CBOE Livevol support at [support@livevol.com](mailto:support@livevol.com) or [\(800\) 307-8979](tel:8003078979) for more information about the transition or to get help with any MDX or CBOE Livevol support matters.
