RE: 2019 Index and ETF LEAPS Listing Schedule

On June 21, 2017, trading will begin for June 2019 LEAPS in the below Index and exchange traded fund (ETF) option products:

DJX	(Dow Jones Industrial Average)
OEF	(iShares on the S&P 100 Index Fund)
OEX	(S&P 100 Index with American Exercise)
RUT	(Russell 2000 Index) **
SPX	(S&P 500 Index)
XEO	(S&P 100 Index with European Exercise)

** Note: RUT is the only product identified in the above list which trades on both CBOE and C2. All of the other products are listed for trading only on CBOE.

A notice listing the new Index and ETF June 2019 LEAPS series will be issued during the week of June 12, 2017.

Additionally, notice listings for new Index and ETF June 2019 LEAPS can be found by accessing the below hyperlinks during the distribution week mentioned above.
