1. Text of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² EDGX Exchange, Inc. (“EDGX” or the “Exchange”) is filing with the Securities and Exchange Commission (“Commission”) a proposal to eliminate reference in Rule 13.10 to the EdgeRisk GatewaySM, which is a risk management tool that is to be discontinued by the Exchange. The Exchange also proposes to delete the fees related to EdgeRisk GatewaySM from its fee schedule. The Exchange has designated this proposal as non-controversial and provided the Commission with the notice required by Rule 19b-4(f)(6)(iii) under the Act.³

(a) The proposed amendment to the Exchange’s rules is attached as Exhibit 5A. The proposed changes to the fee schedule are attached as Exhibit 5B. 3. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change.

(a) Purpose

The Exchange proposes to delete reference to the EdgeRisk GatewaySM in Rule 13.10 as well as its related fees from the Exchange's fee schedule. In sum, the EdgeRisk GatewaySM is an optional fee-based risk management tool that provides Members and non-Members the option to obtain dedicated primary and backup access gateways⁴ in addition to, or in place of, a shared access gateway.⁵ The tool was intended to assist

⁴ The Exchange currently offers logical ports through which order are submitted to the Exchange, receive drop copies of orders and execution messages, and receive transmission of depth of book data ("Logical Ports"). Each Logical Port is assigned an access gateway that performs order validations and manages the cycle of a submitted order's flow of information back to the Member. The access gateway performs functions such as message validation, acknowledgement messaging, risk checks, matching engine routing and execution messaging. The Exchange currently assigns Members' and non-Members' Logical Ports to the access gateways through a standard method that accounts for the relative message traffic expected over the Logical Port as well as redundancy requirements, where an access gateway contains assigned Logical Ports for a number of firms. The Exchange assigns Member and non-Member sessions to multiple access gateways so that the failure of one gateway may not result in the loss of access.

⁵ See Securities Exchange Act Release No. 69855 (June 25, 2013), 78 FR 39386 (SR-EDGX-2013-21) (Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Offer and Establish Fees for a New Exchange Service, EdgeRisk Gateways).

subscribers' efforts to mitigate the risks associated with disruptions caused by excessive message traffic or programming mistakes experienced via a shared access gateway because the subscriber's order flow on its dedicated access gateways would be insulated from such external disruptions.

Earlier this year, the Exchange and its affiliate EDGA Exchange, Inc. ("EDGA") received approval to effect a merger (the "Merger") of the Exchange's parent company, Direct Edge Holdings LLC, with BATS Global Markets, Inc., the parent of BATS Exchange, Inc. ("BATS") and BATS Y-Exchange, Inc. ("BYX", together with BATS, BYX, EDGA and EDGX, the "BGM Affiliated Exchanges").⁶ In the context of the Merger, the BGM Affiliated Exchanges are assessing certain system functionality, retaining only intended differences between the BGM Affiliated Exchanges. As part of this effort, the Exchange proposes to: delete reference to EdgeRisk GatewaySM in Rule 13.10 as well as its related fees from the Exchange's fee schedule because it intends to discontinue offering this product. Therefore, reference to the product within Exchange's rules and applicable fees in its fee schedule would no longer serve any legitimate purpose upon the product being retired by the Exchange. The Exchange has few subscribers to the EdgeRisk GatewaySM and has determined that the current customer demand does not warrant the infrastructure and ongoing maintenance expense required to support the product within the new Exchange environment. Therefore, the Exchange will terminate the product on January 12, 2015.

(b) Statutory Basis

⁶ See Securities Exchange Act Release No. 71449 (January 30, 2014), 79 FR 6961 (February 5, 2014) (SR-EDGX-2013-43; SR-EDGA-2013-34).

The Exchange believes that its proposal is consistent with the requirements of Section 6(b) of the Act,⁷ in general, and Section 6(b)(5) of the Act,⁸ in particular, in that it promotes just and equitable principles of trade, removes impediments to, and perfects the mechanism of, a free and open market and a national market system, and, in general, protects investors and the public interest. The Exchange also believes that its proposal is consistent with Section 6(b)(4) of the Act,⁹ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using its facilities.

Specifically, the proposal is consistent with Section 6(b)(5) of the Act,¹⁰ in that it eliminates any investor confusion by deleting references to a product, and its related fees, that is to be discontinued by the Exchange, thereby removing impediments to and perfecting the mechanism of a free and open market and a national market system, and, in general, protecting investors and the public interest. In addition, the Exchange has very few subscribers to EdgeRisk GatewaySM and has determined that the current customer demand does not warrant the infrastructure and ongoing maintenance expense required to support the product within the new Exchange environment. In addition, EdgeRisk GatewaySM is not a core product offering by the Exchange, nor is the Exchange required by the Act to offer such a product. The proposed rule change will not permit unfair

discrimination among customers, brokers, or dealers because the EdgeRisk GatewaySM will no longer be offered by the Exchange.

In addition, the Exchange believes that the proposed removal of the fees for the EdgeRisk GatewaySM from its fee schedule is consistent with Section 6(b)(4) of the Act¹¹ because it would delete fees for a product that is to be discontinued by the Exchange, thereby eliminating investor confusion. Lastly, the Exchange also believes that the proposed amendment to its fee schedule is reasonable and non-discriminatory because it will apply uniformly to all members.

4. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposal is consistent with Section 6(b)(8) of the Act¹² in that it does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will discontinue ConenctEdge by removing references to the service from its rules, and its related fees from the fee schedule, and is not designed to have a competitive impact. Therefore, the Exchange does not believe the proposed rule change will have any effect on competition.

5. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2)

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹³ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁴ The Exchange asserts that the proposed rule change: (1) will not significantly affect the protection of investors or the public interest, (2) will not impose any significant burden on competition, and (3) and will not become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate. In addition, the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing, or such shorter time as designated by the Commission.¹⁵

Accordingly, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁶ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁷

The Exchange believes that the proposed rule change meets the criteria of subparagraph (f)(6) of Rule 19b-4¹⁸ because the proposed rule change would not significantly affect investors or the public interest or impose a significant burden on competition because it eliminates any investor confusion by deleting references to a product, and its fees, that is to be discontinued by the Exchange. In addition, the Exchange has very few subscribers to the EdgeRisk GatewaySM, the

EdgeRisk GatewaySM is not a core product offering by the Exchange, nor is the Exchange required by the Act to offer such a product. Based on the foregoing, the Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁹ and paragraph (f)(6) of Rule 19b-4 thereunder.²⁰

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to delete reference to the EdgeRisk GatewaySM in Rule 13.10 as well as its related fees from the Exchange's fee schedule. In sum, the EdgeRisk GatewaySM is an optional fee-based risk management tool that provides Members and non-Members the option to obtain dedicated primary and backup access gateways⁵ in

addition to, or in place of, a shared access gateway.⁶ The tool was intended to assist subscribers' efforts to mitigate the risks associated with disruptions caused by excessive message traffic or programming mistakes experienced via a shared access gateway because the subscriber's order flow on its dedicated access gateways would be insulated from such external disruptions.

warrant the infrastructure and ongoing maintenance expense required to support the product within the new Exchange environment. Therefore, the Exchange will terminate the product on January 12, 2015.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of Section 6(b) of the Act,⁸ in general, and Section 6(b)(5) of the Act,⁹ in particular, in that it promotes just and equitable principles of trade, removes impediments to, and perfects the mechanism of, a free and open market and a national market system, and, in general, protects investors and the public interest. The Exchange also believes that its proposal is consistent with Section 6(b)(4) of the Act,¹⁰ in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and other persons using its facilities.

support the product within the new Exchange environment. In addition, EdgeRisk GatewaySM is not a core product offering by the Exchange, nor is the Exchange required by the Act to offer such a product. The proposed rule change will not permit unfair discrimination among customers, brokers, or dealers because the EdgeRisk GatewaySM will no longer be offered by the Exchange.

In addition, the Exchange believes that the proposed removal of the fees for the EdgeRisk GatewaySM from its fee schedule is consistent with Section 6(b)(4) of the Act¹² because it would delete fees for a product that is to be discontinued by the Exchange, thereby eliminating investor confusion. Lastly, the Exchange also believes that the proposed amendment to its fee schedule is reasonable and non-discriminatory because it will apply uniformly to all members.

(B) Self-Regulatory Organization's Statement on Burden on Competition

The Exchange believes the proposal is consistent with Section 6(b)(8) of the Act¹³ in that it does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will discontinue ConenctEdge by removing references to the service from its rules, and its related fees from the fee schedule, and is not designed to have a competitive impact. Therefore, the Exchange does not believe the proposed rule change will have any effect on competition.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has designated this rule filing as non-controversial under Section 19(b)(3)(A) of the Act¹⁴ and paragraph (f)(6) of Rule 19b-4 thereunder.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily temporarily suspend such rule change if it appears to the Commission that such action is: (1) necessary or appropriate in the public interest; (2) for the protection of investors; or (3) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
